

English Guided Notes:

What is a PRONOUN?

Name: \_\_\_\_\_

A PRONOUN is a word used in place of a \_\_\_\_\_ .

You use PRONOUNS to make your writing less cumbersome and less \_\_\_\_\_

A PRONOUN is one of the \_\_\_\_\_ parts of \_\_\_\_\_

\_\_\_\_\_ Pronouns refer to a specific person or thing and change their form to indicate a person, number, gender or case

Write FOUR examples of Personal Pronouns: \_\_\_\_\_

\_\_\_\_\_ Pronouns show or define ownership of an object.

Write FOUR examples of Possessive Pronouns: \_\_\_\_\_

The \_\_\_\_\_ is the noun that the Pronoun is referring to.

There CAN be problems with the agreement between the Pronoun and the Antecedent. Sometimes it is not \_\_\_\_\_ who or what the pronoun is referring to in the sentence.

Using the same \_\_\_\_\_ more than once in a sentence makes it awkward and even misleading.
